I. POLICY

A. It is the policy of UMD to comply with the requirements of the Federal Family Educational Rights and Privacy Act (FERPA), also known as the Buckley Amendment, concerning the disclosure of student records. FERPA affords eligible students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records.

2. The right to request the amendment of the student’s education records.

3. The right to provide written consent before UMD discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by UMD to comply with the requirements of FERPA.

B. Following is an outline of the policy, and an explanation of the procedures by which students may obtain access to education records. Accordingly, UMD shall provide students with annual notification of their rights pursuant to FERPA.

II. DEFINITIONS

A. “Attendance” includes but is not limited to attendance in person or by paper correspondence, videoconference, satellite, Internet, or other electronic information and telecommunication technologies for students who are not physically present in the classroom; and the period during which a person is working under a work-study program.

B. “Directory Information” means information which would generally not be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to, a student’s name, address, telephone listing, e-mail address, date and place of birth, major field of study, full-time/part-time status, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended.
C. “Disclosure” means to permit access to or the release, transfer, or other communication of, PII contained in education records by any means, including oral, written, or electronic means, to any party except the party identified as the party that provided or created the record.

D. “Education Records” means those records directly related to a student and maintained by UMD or by a party acting on UMD’s behalf. Education records do not include:

1. Sole possession records: records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record.

2. Records maintained by the UMD Police Department solely for law enforcement purposes and kept separately from the education records described above.

3. Records of employment which relate exclusively to the individual in that individual’s capacity as an employee, and are not available for use for any other purpose.

   (NOTE: If a currently enrolled student is employed as a result of their status as a student, records relating to that employment are education records.)

4. Medical records on a student who is eighteen years of age or older made by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional made or used only for treatment purposes and available only to persons providing treatment.

   (NOTE: Treatment for the purposes of this definition does not include remedial educational activities.)

5. Post-attendance records: also called alumni records, are records which contain only information relating to a person’s activities after that person is no longer a student at UMD and do not relate to that person as a student.

6. Grades on peer-graded papers before they are collected and recorded by a teacher.

E. “Eligible Student” means a student who has reached the age of 18 or is attending UMD.

F. “Parent” means a parent of a student, and includes a natural or adoptive parent, a guardian, or, in the absence of natural or adoptive parents, an individual acting as a parent.

G. “Party” means an individual, agency, institution, or organization.
H. “**Personally identifiable information**” or “**PII**” means data or information which includes, but is not limited to, a student’s name; a name of a student’s parent or family member; an address of a student or a student’s family; a personal identifier, such as a social security number, University Identification Number (UID), or biometric record; other indirect identifiers, such as mother’s maiden name; other information that alone, or in combination, is linked or linkable to a specific student and that would allow a reasonable person in the UMD community who does not have personal knowledge of the relevant circumstances to identify the student with reasonable certainty; or information requested by a person who UMD reasonably believes knows the identity of the student to whom the education record relates.

I. “**Record**” means any information or data recorded in any medium (e.g., handwriting, print, tape, film, microfilm, microfiche, database, or any form of electronic data storage including emails).

J. “**School Official**” is a person employed by any institution within the University System of Maryland in an administrative, supervisory, academic, research, or support staff role; a member of the Board of Regents; or a person engaged, employed by, or under contract with UMD to perform a special task, such as an attorney, auditor, or student serving on a UMD committee (e.g., University Student Judiciary, Honor Council, Standing Review Committee, scholarship & awards committees, etc.).

K. “**Student Recruiting Information**” is information identified in the Solomon Amendment that UMD is required to provide to military recruiters upon request. Those items are: student name, addresses, telephone listings, age (or year of birth), class level, academic major, degrees received, and the most recent educational institution in which the student was enrolled.

### III. RIGHT TO INSPECT AND REVIEW EDUCATION RECORDS

A. Each student in attendance at UMD has a right to inspect and review their education records within 45 days after the day UMD receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

   A student may ordinarily obtain copies of education records by paying the cost of reproduction. The fee for photocopies is $0.25 per page. 2. The decision is to be based solely upon evidence presented at the hearing, and must include a summary of the basis of the decision.

3. In cases where the challenged information is found to be inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, the education records shall be amended accordingly within a reasonable time.

4. In cases where the challenged information is not found to be inaccurate, misleading, or otherwise in violation of the privacy or other rights of a student, the student shall be informed in writing of the right to place in the challenged record a statement commenting on the information and explaining any reasons for disagreeing with the decision.

5. The statements described above shall be kept as part of the student’s record and disclosed whenever that portion of the record is disclosed.

V. DISCLOSURE OF PERSONALLY IDENTIFIABLE INFORMATION

It is the policy of UMD to limit disclosure of PII without a student’s prior written consent, subject to the following limitations and exceptions:

A. Directory Information

1. This information may be disclosed and may appear in public documents unless a student files a written notice not to disclose any or all of the information (i.e., opts out). Such notice must be filed with the Office of the Registrar.

2. Students will be given annual notice of the categories of information designated as directory information.

B. Prior Consent Not Required

Prior consent is not required for disclosure of education records in several circumstances. These circumstances include disclosure:

d. Providing a service or benefit relating to the student’s family, such as health care, counseling, job placement, or financial aid.

5. A student will be provided with a copy of the records which have been transferred upon request and payment of copying fees as described above.

6. To authorized representatives of the following government entities, if the disclosure is in connection with the audit or evaluation of federal- or state-supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs: U.S. Comptroller General, U.S. Secretary of Education, U.S. Attorney General or state and local educational authorities, such as the Maryland Higher Education Commission (MHEC), the authority that is responsible for supervising UMD’s education programs.

Subject to controlling federal law, these officials will protect information received so as not to permit personal identification of students to outsiders.

7. To authorized persons and organizations, such as the Department of Veterans Affairs or an employer, in connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.

11. To either parent of a student who is claimed as a dependent for income tax purposes by at least one parent.

12. To parents when their student (under age 21) is found to have violated UMD’s alcohol or drug policies.

13. To appropriate parties when UMD determines that disclosure is necessary to protect the health or safety of the student or other individuals and the information will assist in resolving the emergency.

14. In response to a court order or subpoena, including ex parte orders under the USA Patriot Act. Unless the issuing entity orders UMD against prior notification, UMD will make reasonable efforts to notify the student before complying with the court order or subpoena.

15. To an alleged victim of a crime of violence when the disclosure is the result of a disciplinary hearing regarding the alleged perpetrator of that crime with respect to that crime.

C. Prior Consent Required In All Other Cases

1. UMD will not release PII in education records, or allow access to those records without prior consent from the student.

4. A copy of the record disclosed will be provided to the student upon request and payment of copying fees described above.
